

GREEN'S BARGAIN LIST NO. 43

FALL AND WINTER 1951--'52
(This cancels all previous lists)

BARGAIN LIST 25¢

EVERYTHING WE SELL-Complete satisfaction or returnable in 3 days for full refund.

Again we are pleased to offer our Coin Collecting Friends a List that is outstanding in many respects. As large a selection as you will find anywhere - not as many Rare items as in previous lists, but a more diversified offering of choice and moderately priced coins and paper money. ONE OUTSTANDING RARITY IN THE PIONEER SERIES - \$10.00 Oregon 1849.

Sorry space does not permit our listing MANY DESIRABLE ITEMS WE HAVE IN STOCK. For example, an outstanding Collection of Bryan Money together with the July 1926 (Bryan Number) Numismatist. A Collection of Counter-stamped coins. A good number of Foreign Crowns, a lot of Hard Time Tokens, some Scarce and Rare items in this lot. Now please don't ask for lists at this time. We will get to them as fast as possible, and we cannot make out individual lists on moderately priced items. We can fill several orders in the time used to list fifty items that we must look up a good number.

Did you ever consider the financial gain in Coin Collecting? 15 to 20 years ago 1¢ of 1856 was selling at \$10.00 to \$15.00 for Unc. and Proof. The Grant Half with Star was selling at \$5.60 to \$6.00, the 1914-D Cent at \$1.50 to \$3.00; the 1919-S, 1924-S and 1925-S Buff. 5¢ were selling at less than \$.50 each. I have a catalogue published by a well-known dealer in 1930 offering 5¢ of 1927-S Unc. at 75¢ each. The coins mentioned, as you know, all sell from \$40.00 to \$175.00 today. The 1901-S and the 1927-S Quarters sell for 500 to 1000 times what they did twenty years ago. There are a good number of standing Liberty Halves doing the same thing. What other hobby pays so well for the fun and good fellowship that you will enjoy in Coin Collecting? Tell your friends. We could have mentioned a few hundred more Coins, but time and space do not permit.

DISCOUNT - Ten per cent on cash orders for Coin Books and other Coin Collectors' Supplies when the order is \$5.00 or more. FIVE PER CENT DISCOUNT ON 4 or more single Silver, Copper or Nickel Coins when the total purchase is \$20.00 or more. All Gold Coins Net, all Paper Money Net, all Rolls Net. All Sets of Coins and Lots offered at fixed prices are Net.

We are wholesale distributors for American Coin Albums and Pages, U. S. Coin Albums, Whitman Coin Books and Coin Folders. We also sell Kurtzeborn Plastic Holders, and we contemplate adding another beautiful well-made, moderately priced Holder to our line in the near future. That is all I can tell you just now about the new Holder. Sorry space did not permit our listing more Coin Collectors' Supplies.

CASH ORDERS will continue to receive preference, though we do send Coins on open account to both Collectors and Dealers WHO ARE KNOWN TO US FOR PROMPT PAYMENT - but remember, if the same mail brings a check for the coin, and three others order it without a check enclosed, the order with check will get the coin. It is quite possible, of course, we will be able to supply both, because we have 3 to a dozen in stock of many items.

Orders for less than \$2.00 respectfully declined; orders for \$2.00 to \$5.00, add 25¢ for packing and insurance. We pay shipping charges on all orders, and shipping is quite an item with us today.

DID YOU KNOW - We sell from \$20,000.00 to \$40,000.00 per month, and a good part of our business is with Dealers and Investment-Minded Collectors. From one Dealer we recently bought more than \$18,000.00 worth in less than one month, and sold about 95% of those coins within ten days after their purchase. We must have a **SELECT CLIENTELE TO BE ABLE TO DO THAT**. Honesty and fair treatment do build a good coin business -- **THAT WE HAVE**.

Our volume sales require new coins every day. If your Collection is for sale, we are cash buyers. **MIGHT TAKE IT FOR AN AUCTION TO BE HELD FIRST PART OF NEXT YEAR**. IN EITHER CASE, IT IS TO YOUR BEST INTEREST TO CONSULT US WHEN SELLING SINGLE RARE COINS OR A COMPLETE COLLECTION.

We will attend the Akron Ohio Coin Club "Open House" meeting Sunday, November 18th, 1951. Expect to buy a good number of Rare Coins and meet many Collectors we have dealt with for years. As always, everyone will have a good time, I am sure. Let's all try and be there!

Left Chicago 6 P.M. October 19th for Oklahoma City -- attended the Okla. - Kansas Numismatic Association meeting. Had a nice visit with a good number of Collectors we had sold to for years, but never had the pleasure of meeting before. It was a very successful meeting, I would say -- a good crowd, and both Collectors and Dealers enjoyed the event.

Bargain List #43 will be limited to 15,000 copies. This is considerably less than some of our previous issues. We are continually revising our mailing list. If you are an active Collector or Dealer we are glad to send you copies as long as you give us an occasional order. I can see no reason to send a list free to Collectors who do not spend at least \$10.00 per year with us.

On our trip through Texas after the Oklahoma City meeting, we visited Dallas, a beautiful City and one of the most up-to-date cities in the entire U. S. Stopped at the Baker Hotel where the 1953 A.N.A. Convention will be held, and had the good fortune to be the guest of Mr. Schermerhorn for breakfast. He showed us the large display rooms and meeting halls the A.N.A. will have the use of during their meeting there. **IT IS OUT OF THIS WORLD AS A MEETING PLACE**. I say that with all due respect to the many wonderful cities we have enjoyed while attending these meetings. Dallas will have a Convention that will go down in A.N.A. history as one of the **VERY BEST**. Mr. Schermerhorn, Mr. Brad Mills, Mr. Philpott, Mr. Hall, Mr. Wyatt and many other outstanding Collectors will see that you enjoy real Western Hospitality. Speaking of Mr. Mills, it is always a treat to meet and talk with him, but this time it was doubly so because we were the guest of Brad and his beautiful Wife for dinner at the Adolphus. I want to say the trip to Dallas was the most enjoyable we have had in many years - **THANKS TO THREE WONDERFUL HOSTS. WE HOPE TO HAVE THE PLEASURE OF YOUR COMPANY IN CHICAGO -- THE SOONER THE BETTER!**

Yes, we bought Coins in both Dallas and Oklahoma City, but the most enjoyable part of the trip in both cities was the pleasure of visiting with the many Collectors and Dealers. Always glad to have both Collectors and Dealers visit us anytime.

TO A CLIENTELE SECOND TO NONE WE SAY THANKS A MILLION FOR YOUR WONDERFUL COOPERATION-WE DO APPRECIATE YOUR BUSINESS.

**THE AMERICAN NUMISMATIC ASSOCIATION
HAS FOR ITS ORGANIZATION** — The largest and
most active numismatic body in the world. It invites
and will welcome to membership all worthy persons 18
years of age or over who have a sincere interest in the
subject of numismatics, whether they collect coins,
paper money or medals, whether advanced collectors or
those generally interested in the subject without being
collectors.

The Association was founded in 1891, and has over
8,000 members with every State in the Union repre-
sented, Canada, and many foreign countries. It is an
incorporated body, having been granted a Federal
Charter by an Act of Congress in 1912. It is purely a
mutual organization, organized for the benefit of its
members.

WRITE US OR THE GENERAL SECRETARY FOR A.N.A. MEMBERSHIP APPLICATION BLANKS.

OBJECTS — Its objects are to encourage and promote the science of numismatics by the acquirement and study of coins, paper money, and medals; to cultivate fraternal relations among collectors and students; to encourage and assist new collectors and to foster the interest of youth in the subject; to stimulate and advance affiliations between collectors and kindred organizations in the United States and foreign countries; to acquire and disperse numismatic knowledge; to form and maintain a cabinet of numismatic specimens and a library of numismatic literature for the use and benefit of its members, and to demonstrate the fact that numismatics is an educational, serious and entertaining pursuit; and generally to represent coin collecting interests as a national organization.

ADVANTAGES — To be a member is to have fraternal affiliation with numismatic students and collectors of the world, to know their addresses and collecting specialties, and to have the honor of serving strangers with references, as an entree with dealers and collectors. Members receive free the publications of the Association.

OFFICIAL MAGAZINE — The Association owns and publishes *The Numismatist*, a monthly magazine, carefully edited and splendidly illustrated, and the best monthly publication exclusively devoted to numismatics. Its pages are free to all members, to express their views and to contribute articles for the advancement of the subject. Inquiries are answered for those seeking information. Each monthly issue, at present, contains at least 112 pages.

LOCAL ORGANIZATIONS — Affiliated with the American Numismatic Association are many member societies located throughout the world. Addresses of their officers, time and place of their meetings are published from time to time in the official magazine and in each edition of the Membership Directory. Each member of the Association receives a copy of each edition of the Membership Directory, the catalog of the Library, and other regular publications. Members of the Association will receive fraternal greetings and welcome at the meetings of these local clubs and societies.

LIBRARY — The Association owns a numismatic library for the use and benefit of its members. The books are loaned to its members upon request to the Librarian, without charge other than postage, subject to reasonable restrictions.

CONVENTIONS — Conventions of the A. N. A. are held annually, and are sources of intellectual profit to all who attend. Every member is entitled to a voice in these gatherings. The business sessions are devoted to the serious side of numismatics, while the recesses afford opportunities for banquets, smokers, excursions, and other forms of entertainment and for personal acquaintance with coin collectors from all parts of the U. S. and Canada. The splendid exhibits of numismatic specimens at these conventions have become notable features of these gatherings. These exhibits are open to the public.

For further information, address

Dues and privileges are the same as for Regular Members except that Junior Members are not eligible to hold office.

★

Applicants for Associate or Life Membership should write to the General Secretary for special application forms and consult the Association's By-Laws for information as to dues, privileges, and other regulations.

Subscribers to The Numismatist are invited to apply for membership. Unexpired portion of the subscription is credited to membership dues.

★

Annual dues, on calendar year basis, are \$5.00, payable in advance. Membership includes subscription to The Numismatist. Applications for membership must be accompanied by remittance of \$5.00 or more, to be applied first to membership dues for balance of the current calendar year and any overpayment to dues for following year. First dues statement will adjust account to calendar year basis.

★

Names of applicants are published in The Numismatist in second issue following date of receipt. If no objections are received within 30 days after date of publication applicant is admitted. In case of objections the procedure is that specified in the By-Laws. Membership card for the current year is sent with notification of admission to membership.

★

A new volume of The Numismatist commences with the January number of each year. The annual subscription price is \$5.00 for non-members. To members The Numismatist is included in the \$5.00 charge for annual dues. A sample copy of The Numismatist will be mailed upon receipt of fifty cents (50c) sent to the General Secretary.

DID YOU KNOW?
by C. E. Green, A.N.A. 4104

In recent years there have been a number of Counterfeits of Rare Coins sold to the Coin Collecting Public. We have plastic impressions of the following: 1¢ 1856 F E. Ct.; 3¢ Silver; 10¢ 1916-D Mercury (of this one I have examined two pieces - from the East made by pressure casting, one from the deep South made by cutting out the reverse of 1916-P or S Dimes and cutting out the reverse of a D. Mint Mercury Dime and fitting in the reverse side of the 1916-P or S Dime - CLEVER JOB); 25¢ 1853 No Rays and Arrows - also 1901-S, both from the East and made by pressure casting. The milling on the edges and the Mint marks usually show defective workmanship under a strong glass when the piece has been made by pressure casting. The diameter is smaller in most cases, there is not the proper ring to the coin, and it is usually slightly lighter than the genuine. You will need a micrometer to measure the diameter, and a diamond glass or other powerful glass to examine the edges and Mint marks. Grant 50¢ With Stars recently added. We also have plastic impressions of both small and large size Gold Dollars, a Ten Dollar so-called Mormon Coin, and a Twenty Dollar St. Gaudens design. The more the Collecting Public knows about these pieces, the better for all concerned, and the less chances they have of being taken by either the culprit or the Collector or Dealer who does not know the difference between the genuine and the well-made Counterfeit. Counterfeit coins do not show die draw, or where the metal flowed in the die as it was being forced under pressure into all parts of the die. Die draw is usually found near the border and around the letters.
